THE PURPOSE

Inspire young people to be resilient when they experience hardships. Nicolas' touching testimony gives a fine example of hope and perseverance to people who are going through a difficult stage in their lives. After his serious car accident where he was a victim of a drunk driver, Nicolas addresses the mental health issues and the consequences with which he must now learn to live with. Nicolas offers an inspiring and motivating testimony to individuals who aspire to surpass themselves after having experienced trials, challenges or injustices.

NICOLAS BÉLANGER

"Very dynamic young man with a great life experience and I'm sure that young people in schools and colleges would love to hear his testimony."

**(Jasmin Bergeron,
International Speaker and
Teacher at UQAM)**

REFERENCES

"Nicolas has a powerful testimony and there is a great need in schools across the country to hear his powerful message. With my expertise as a public speaker, it was my pleasure to give him several tips to help him in his early days as a speaker. In society, we need more people like him!"

(Louis-Philippe Thibault, Professional public speaker)

"Mr. Bélanger's presentation was able to move us deeply, raise our awareness, inform us about the dangers on the roads and gave us a very human face to this social issue. We do not hesitate to recommend this conference!"

**(Véronique Lareau, Social worker,
Rosemont College)**

" His authentic communication skills combined with the quality of the images presented keep teenagers attentive and curious to learn more. No one remains indifferent to his inspiring story. Mr. Bélanger embodies a great example of courage, determination and surpassing oneself."

**(France Celestino, Principal, Sainte-Agathe
Academy)**

"Mr. Bélanger presented a dynamic conference, brilliantly combining humor and seriousness. Through the story of his personal experience, he moved the audience and made the students aware of the consequences of drunk driving. Through his intimate story, he brilliantly helped the students understand the meaning of the words courage and resilience. This conference is a great service to them in the prevention of drunk driving and in the chance to meet a brave man."
